Volunteer Coordinator

**Anissa Bass, LPN**  
Clinical Advisor

**Ophelia Drake**  
Secretary

You're Worth Fighting 4 held its first Annual Cancer Ball in 2016 to help raise money to help patients and families pay for medicine, transportation, and other necessities during their fight. This annual ticketed fundraiser has become the driving force behind helping to empower, uplift, and provide resources to cancer patients. It aims to SUPPORT those who are still in the fight; CELEBRATE those who won their fight; and HONOR those who have passed while fighting.

Each year a Championship Belt is awarded. This individual can be nominated by those who are advocates, family members of patients, or the cancer patients themselves. Even though only one winner is selected, we celebrate everyone who inspires through their winning attitude and fortitude.

In celebration of the 10<sup>th</sup> Anniversary, we will also be awarding Ribbons of Hope Awards this year. Highlighting individuals and businesses in ten categories who continue to move the needle of support and empowerment in the Indianapolis Area.

The gala includes music, a meal, dancing, giveaways, awards, cancer awareness materials, and many moments that remind us all of the importance of staying in the fight of life and never giving up.

All proceeds go to helping cover costs for fundraisers, providing everyday essentials to patients, prescription costs, and supplies for activities for sit-ins with patients, young and old as they go through chemo and hospital stays.

The mission is always to STRENGTHEN the heart, UPLIFT the mind and ENCOURAGE the fight to help all cancer patients.

Join us in the ring of life and help us continue to FIGHT! Your support matters. Find out how by visiting our website listed below.
